## May Chapter Meeting at the ATL History Center.....

We had a fabulous time together on May 7th. Members met at the church and after a brief "parking lot meeting" we piled into our vehicles and headed to Atlanta. No one got lost!!! We had a great time exploring the Atlanta History Center. They currently have the "Atlanta in 50 Objects" exhibit. Then, we enjoyed a fabulous lunch at the Swan Coach House. And what would any outing be without a little retail therapy at the gift shop! Angela Windisch said, "I wanted to stay at home and piddle at the house today, but I'm so glad I came!"

## Spring Leadership Conference

Miss America, Betty Cantrell, kicked off the Spring Leadership Conference on Friday, April 29th. Saturday was packed with activities. Workshops were conducted for officers and classes were offered on topics such as legislative issues, technology updates and even line dancing. The Information Fair was a extremely...well, informative and fun! Business was conducted at the Executive Board Meeting and a multi-generational panel discussion provided insight into the needs and expectations of members from four different generations. The 80 year anniversary of Psi State was celebrated with a Rose Ceremony, honoring the founders and beautiful red rose cupcakes. Thirty nine baskets sold at the silent auction, raising over \$2,000 for World Fellowship Scholarships and the 2017 State Convention.

## Service Project

Members donated suits, dresses and casual clothing for the women of the Zaban Couples Center. The mission of the Center is to assist couples transitioning from homelessness to resettlement and independence by providing shelter, basic necessities and counseling services. They were so appreciative when Debbie Bhanojirow delivered the clothing, as women had interviews the next day and were in need of clothing.
