

The Alpha Iota Chapter would like to welcome our three new members; Claudia Bowers, Martha Tolcher and Lynne Vidiksis. The chapter recently made a donation of school supplies, batteries, hand sanitizer, paper products and bread to Rainbow House, a shelter for abused and neglected children. Members are working on a “Inspiration for Life Cookbook” to raise funds for scholarships. The book will include not only recipes, but inspirational passages, bible verses and humorous stories. We hope to have it published in time for the Psi State Convention in April.
