Dear Alpha Iota Chapter of Delta Kappa Gamma,

The support of your organization for *Ferst Readers of Henry County* is greatly appreciated. That support and the enthusiasm and creativity that your team brought to the event was remarkable. Your *Olivia* table was wonderful!

Donations and commitments are still being processed, but there was a positive spirit in the room, and we anticipate significant financial support from attendees. I look forward to sharing more later about our collective success.

An endeavor like ours takes support from the entire community, so thank you for your leadership in that regard. We hope that we can continue to count on your participation and support in the future.

Sincerely,

A handwritten signature in blue ink that reads "Doris Griffin".
