

Thank You

Dear Alpha Iota Chapter of ^{12/30/16}
Delta Kappa Sigma
All the animals here at the Clayton County Humane Society would like
to thank you for your donation of \$25.00
for memorial.

Because of the kindness of people like you, we have a wonderful place
to stay while we wait for our new parents. Our shelter home would not exist
without support from people like you and we are so very grateful.

Thank you for thinking of us.

Chrissy

P.S. I am the beautiful Tortie on the front of this card
